

## LONGLAC CROSS-COUNTRY SKI CLUB

The Longlac Cross-Country Ski Club trail system is located on the north side of Hwy 11. There are

Trails are available for summer use as well as winter skiing

over 50 kilometres of groomed classic and skate skiing trails suitable for all ages and skill levels. There are several loops to choose from which provide a variety of trail lengths - short distance, perfect for before or after work, or long distance for those half or day-long adventures.

The route will take you into a poplar stand.

The clubhouse is open from 8 am—6 pm daily with washroom facilities and lockers available to store your equipment.

The trail system winds its way through a variety of different forest types, from upland poplar stands to lowland black spruce and cedar. In 1938, part of this area was harvested and remnants of the river drive are still visible.

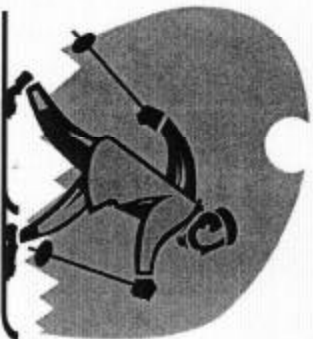

A new trail was added this year going through higher ground, allowing the trail to be open sooner. It splits the first loop into two pieces. You now have the choice of going around the loop or through the middle.

See you out there.

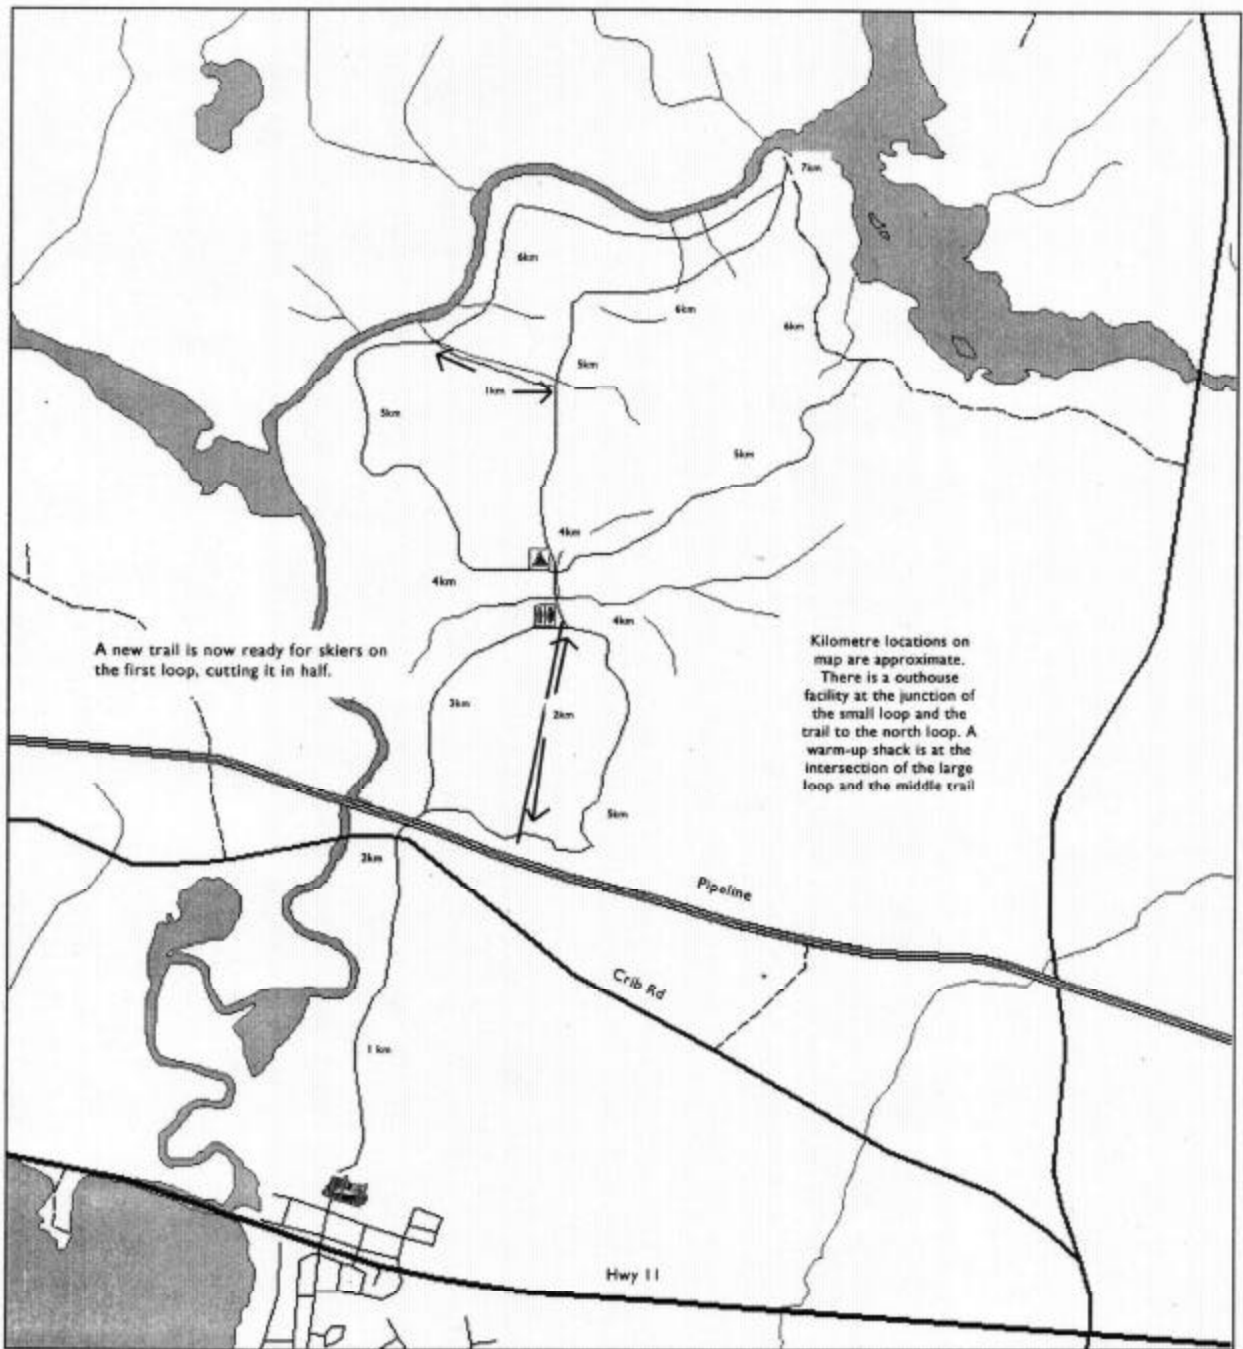

Memberships are available in Longlac at:  
Barino Do-It Centre,  
Home Hardware, and  
Wild Country Sports

Current membership rates are:  
Family \$75.00  
Individual \$60.00  
Daily rate \$5.00

## LONGLAC CROSS- COUNTRY SKI CLUB

For information about the trail system contact the Longlac Cross-Country Ski Club  
Jean-Paul Lauzon (807) 876-2206  
Yvon Roy (807) 876-2334 or  
Victor Tschajka (807) 876-2700
