THAT Council of the Municipality of Greenstone direct staff to prepare the draft 2024 budgets inclusive of the following.

1. Allocate all 2024 tax levy increases resulting from real assessment growth due to new development and building construction assessment as increased taxation revenue to offset 2024 tax levy funding requirements;
2. Approve the 2024 Canada Community-Building Fund grant estimated at \$306,848 towards funding road resurfacing projects within the capital plan;
3. Approve the allocation of an estimated \$772,138 from the 2024 Ontario Community Infrastructure Fund grant towards future road rehabilitation projects;
4. Approve the allocation of \$530,800 in prior year surplus in the tax rate stabilization reserve;
5. Incorporate a 1.1% tax levy increase dedicated for core infrastructure funding;
6. Incorporate a 1.0% tax levy increase dedicated for facility rehabilitation funding;
7. Incorporate a 1.0% tax levy increase dedicated for the implementation of the Fire Master Plan; and,
8. Incorporate a 6.1% increase in the water rates and a 6.0% increase in the wastewater rates within the user pay budgets.
