Questions 2 of 2 as posed:

Question #1

Would you accept 2 proposals from one manufacture to ensure all options are covered on the designing of this apparatus?

Answer #1

Yes, multiple bids from one manufacturer is acceptable, providing that the bids are submitted as separate tender packages labelled as Bid #1 and Bid #2.

The labelling of the tender packages with Bid Numbers is necessary to avoid one bid disqualifying another.

Question #2

Would you be able to offer a 2-week extension, to ensure enough engineering time to be able to offer the best apparatus outcome?

Answer #2

The Tender Closing Deadline is extended by one (1) week to June 30, 2022 no later than 2:00 pm. It is recommended that bidders allow enough time for courier delivery in Northwestern Ontario. Bidders may confirm receipt of tender packages by contacting the Municipal Clerk at 807-854-1100 ext 2059.
