ADDENDUM #4

REQUEST FOR PROPOSAL ENGINEERING SERVICES FOR LONGLAC SPORTSPLEX ROOF AND STRUCTURAL UPGRADES MUNICIPALITY OF GREENSTONE

PAGE 1 OF 1

AUGUST 30, 2022

Response to Questions 1 of 1 as posed:

Question #1

Please confirm replacement of the light fixtures is also included into the scope of work of this project.

Answer #1

The project scope includes consideration for upgrading lighting to new high efficiency LED fixtures. The extent of the lighting upgrades, if any, will be determined by budgetary limitations. The primary focus will be to address the roof repair and secondly, the structural deficiencies.
