QUESTIONS AND ANSWERS AS POSED:

Question 1:

As discussed, onsite Monday, Jan 30, 2023, is it possible to have the average expected flow rates (How much and How frequent) for both Nakina and Longlac Plants?

Answer 1:

Flow data is now available on the municipal website where the tender package is posted on the Bid Opportunities page. Three separate documents are posted: 2020 flow data, 2021 flow data, and 2022 flow data for both facilities.
