Municipality of Greenstone (Nakina Ward)
Nakina, Ontario

**Attention Residents consuming water from the Nakina
Drinking Water System**

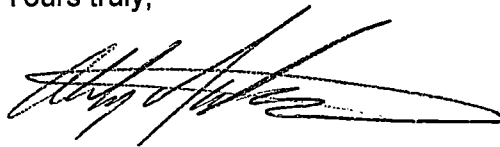

**Drinking Water Advisory Notice for those on Sodium
Restricted Diets**

Sampling of this drinking water supply has revealed the presence of sodium at a concentration of 31.6 parts per million. The aesthetic objective for sodium is 200 parts per million, however sodium at concentrations above 20 parts per million may be a concern to those on sodium restricted diets.

Those individuals on a sodium restricted diet are encouraged to seek an alternate approved source of drinking water.
